

RollerRock™

ROLLABLE STONE COATING

Take your decorative vision and set it in stone with RollerRock™. Renew concrete and other surfaces quickly – using your choice of color and desired texture. Creating beautiful, functional surfaces has never been this easy!

stone texture

Excellent slip-resistant finish for porches, steps, walkways and more. Also an excellent solution for foundations and other exterior walls.

tile texture

The choice for easier cleaning on interior floors. Also best for tender feet around pool decks and shower areas.

RollerRock™

ROLLABLE STONE COATING

RollerRock™ is the fast, easy way to add the beauty of stone to almost any existing surface. No complex techniques. No fancy tools. Just a roller or brush.

If you can roll paint - you can RollerRock!

- Porches & Steps
- Garage Floors
- Balconies
- Entrances
- Basement Floors
- Walkways
- Pool Decks
- Patios
- Foundations
- Driveways
- Bathroom Floors
- Shower Areas

Create Beautiful Stone & Tile Textures - Fast!

Add a tough stone finish to almost any floor or wall surface quickly and easily - indoors and out.

Dress up drab concrete, cover existing wood, tile or linoleum as easily as painting. All with one multi-surface stone coating.

Available in "natural white" and eight store-tinted colors - as well as custom tints - RollerRock™ accents a wide range of surfaces with a clean speckled appearance reminiscent of granite. Just pour it into a tray and roll or brush it uniformly over your desired surface in your choice of seamless, flagstone, or tiled patterns.

Using common painting skills, you may be surprised at how simple it can be to produce attractive, high-performance floor finishes with excellent resistance to:

- Water • UV Rays • Freeze / Thaw Conditions
- Salt • Impact & Abrasion • Hot-Tire Pickup
- Chemicals • Mold & Mildew • and More

THREE EASY STEPS TO DURABLE, LASTING STONE...

PRIME IT

with Daich Coatings Textured Primer.

COAT IT

with your desired RollerRock™ finish.

SEAL IT

with recommended Daich sealer.

Installed with Tile Texture Roller
